95pts

"The 2024 Moscatel Old Vines Botani 20 Aniversario hails from El Borge in Málaga. Fermented in both barrel and tank with lees contact, it comes from a high-altitude, north-facing village. Golden yellow in hue, it displays aromas of herbs, a touch of basil and orange blossom, followed by classic Muscat character. The palate is intense and fresh, showing compact texture and added complexity, with a surprising hint of cucumber. Long and refreshing. It is bottled only in Magnum and 3-liter formats."
