"A dry, aromatic white, with mouthwatering acidity and a chalky underpinning, this refreshing sipper shows notes of nectarine, lime blossoms, pink grapefruit granita, fresh tarragon and pickled ginger. Very appealing. Drink now through 2025."

"Bright and succulent, with a focused range of strawberry preserves, raspberry coulis and persimmon, wet stone and fragrant herbs and spices set in a light-on-its-feet, medium-bodied package. Reveals a fresh tang of orange peel acidity and light, taut tannins on the clean finish."
