

Teso La Monja
Alabaster 2021

vinous
explore all things wine
95pts

"The 2021 Alabaster is sourced from 130-year-old pre-phyloxera vines in Toro and aged in barrels. It's a garnet hue with a blueish sheen. Its nose boasts ripe black fruits, including plums and blackberries, with undergrowth, herb and smoked cedar hints. Ample and bold on the palate, the fine-grained tannins and supple texture lead to a long-lasting finish. A rare and pure Toro red, it offers a concentrated yet weightless mouthfeel."
