95pts

"The 2022 Almirez is 100% Tinta de Toro from several vineyards in Toro. It was aged for 14 months in 30% new and 70% used French oak. Deep garnet in color, the wine opens with balsamic and spicy aromas, joined by a hint of jam and red fruit typical of Toro's ripeness. The palate is rich, with active but well-handled tannins, a slightly tight mid-palate and a long finish. A wine of energy and well-judged ripeness without overextraction—remarkable for the region."
