

Teso La Monja  
Romanico 2023

**JEB DUNNUCK**

**92pts**

*"The 2023 Romanico is from estate-owned vineyards in Valdefinjas and Toro, owned by the Eguren family of Sierra Cantabria in Rioja. Here the slow-ripening Tinto de Toro (Tempranillo) requires eight months of aging in French oak, all second-use, to result in a plush, lush, fruity wine with a baked character and easygoing tannins. It's a great wine at the price point, too. Drink now and for the next 8-10 years."*
