Romanico 2018

"A year-in, year-out great value, the 2018 Romanico is all Tinta de Toro brought up in used French oak. This charming, fruit-forward, yet surprisingly elegant red has lots of spicy red and black fruits, peppery herb, and graphite aromatics to go with medium-bodied richness on the palate. It's nicely balanced and ideal for drinking over the coming 2-4 years."
