

Viñedos Sierra Cantabria
Sierra Cantabria Organza 2018

JEB DUNNUCK

92pts

"A classy white, the 2018 Organza offers textbook notes of buttered stone fruits, white currants, white flowers, and toasted spices in its medium-bodied, silky, impressively balanced, and textured style. It's geared for the dinner table and should evolve for 4-5 years, if not longer."
