

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria Organza 2020

Tim Atkin^{MSW}
94pts

"Often tasted last in the Egurens' range, it's easy to overlook this white blend of Viura with 30% Garnacha Blanca and 25% Malvasa, but that would be a huge shame. Fresh, stony and intense, with adroitly judged new wood, lanolin and citrus notes, good texture and a hint of struck match reduction. 2023-28."
