

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria Organza 2020

Luis Gutiérrez
WINE ADVOCATE
92pts

"2020 was fresher year, and Marcos Eguren considers it a very good vintage for whites, with mildew in the spring that reduced the yield. The wine is very clean and complex, with notes of chamomile, dried flowers and pollen and a medium-bodied palate with a chalky texture, finishing long and dry."
