

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria Rosé 2024

JEB DUNNUCK

91pts

"The 2024 Rosado is 60% Garnacha and 40% Viura grown in clay-limestone soils and fermented to preserve maximum freshness and complexity. The aromas evoke wild strawberry and dried herb, with textured, light-bodied layers of crisp acidity. The family's first vintage of Rosado was 1932. Drink now."
