

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria Reserva 2017

JEB DUNNUCK
94pts

"Sourced from totally different estate parcels at higher elevation than for the Crianza, all old-vine Tempranillo, the 2017 Reserva is from a tough vintage that yielded low quantity but high quality in the right hands. It has remarkable acidity and structure, with a slatey texture that's quite refined. Supple tannins belie its inherent power, marked fundamentally in the end by its elegance and complexity. Balsamic, leather, and rich raspberry swirl around spicy, peppery notes over a long finish. This will continue to age beautifully over the next 15-20 years."
