

Viñedos Sierra Cantabria
Sierra Cantabria Colección Privada 2016

JEB DUNNUCK

95 pts

"It shows the fresher, more elegant style of the vintage and offers a beautiful bouquet of crème de cassis, tobacco, graphite, cedar pencil, and background oak. It's rich, concentrated, and full-bodied on the palate, with lots of fruit and beautiful concentration, but it needs a solid 2-3 years of bottle age. A beautiful wine, I think it's even better than the 2015."
