

Viñedos y Bodegas Sierra Cantabria
Sierra Cantabria Reserva Única 2020

JEB DUNNUCK

95pts

From a year when the producer lost 20% of its grapes, the 2020 Reserva Unica overcomes the adversity of the vintage in its delicate, finessed profile that belies an inherent power of concentrated black fruit. With 2% Graciano, it has precise acidity and is plenty powerful yet supple in tannins and rich red fruit. Beautifully balanced, it shows profound elegance and will be a long-lived wine for another 15-20 years.
