

Viñedos Sierra Cantabria
Reserva Única 2014

JEB DUNNUCK

94pts

"The 2014 Sierra Cantabria Reserva Única is a cellar selection of the best barrels of the Reserve, selected with the idea of making a big, rich wine that can drink well in its youth yet also age. Blackberry, blueberry, violet, peach pit, graphite, and lead pencil notes all flow to a rich, medium to full-bodied, beautifully balanced red that has good acidity, fine tannin, and a great finish. This sexy, decadent, layered beauty shouldn't be missed!"
