

Viñedos Sierra Cantabria
Reserva Única 2015

JEB DUNNUCK

94pts

"The single vineyard 2015 Reserva Unica is one of the few from this estate that's not 100% Tempranillo, as it includes 3% Graciano. Aged two years mostly in French oak (30% new), its deep ruby/purple color gives way to a brilliant wine that's loaded with notions of ripe black cherries, blackcurrants, smoked earth, crushed violets, cigar, and lead pencil shavings. It's rich, full-bodied, has a terrific mid-palate, flawless balance, and a great, great finish. This is a beautiful wine".
