

Viñedos y Bodegas Sierra Cantabria Amancio 2021

JEB DUNNUCK

98pts

"The 2021 Amancio grows in a diverse mix of soils in Finca La Vegailla, planted in 1979 to dry-farmed, bush-trained Tempranillo vines. These soils give it an enormous complexity and savory, earthy essence that evokes the herbaceousness of Cabernet Sauvignon, with added notes of currant, raspberry, and balsamic. It aged 26-28 months in all new French oak and is classic yet modern, drinking already beautifully at this young age and able to stretch with ease another 30-35 years."
