Amancio 2022

**95pts**

*"Sourced from Finca La Vegailla in San Vicente de la Sonsierra and planted in 1979 on silty clay soils with surface stones, the 2022 Amancio is pure Tempranillo. Dark and slightly liqueur-like, the nose shows balsamic notes of thyme and olive layered over oak and black fruit. On the palate, it is broad and juicy, with noticeable tannic grip and growing depth of flavor. Balsamic character comes back on the finish, framed by dark fruit. Powerful yet refined, this is a richly textured Tempranillo whose balsamic depth and dark fruit define a long, resonant finish."*
